An early registration to the 2012 AHIMA Convention & Exhibit in Chicago will be awarded to the top two CSAs in each category. AHIMA Academy for ICD-10-CM/PCS: Building Expert Trainers in Diagnosis and Procedure Coding

After much review AHIMA has canceled the ICD-10 Academy at the Omaha Marriott June 13-15th. Unfortunately with the recent postponement of the ICD-10 implementation until 2014, there were very low registration numbers and as a result, registration for this program was not feasible for a productive class experience. AHIMA is working to reschedule a meeting in Omaha in 2013. A list of other academies taking place in 2012 is found at <http://www.ahima.org/icd10/training.aspx>.
