

June 2016

---

## President's Message

WOW!! Can you believe it is June already? I can't believe how time flies...

It seems like just yesterday I started the journey as President of NHIMA and now that journey is about to end. I have truly loved each and every day of this past year; making many new friends and having a blast with my HIM family.

First of all, I would like to thank my fellow board members who have helped me so much this past year. I could not have done this without the hard work and dedication that each of you have to NHIMA. I will miss working with you and hope to work with you all again in the future! Each of you has made an impact in my life that I will treasure forever. I would also like to give a big "Thank You" to Kim Johnson, NHIMA's Central Office Coordinator. Without her knowledge and hard work, we would not function as smoothly and seamlessly as we do. Next, I would like to thank all the volunteers of who have helped push NHIMA forward year after year. Without your hard work and commitment, NHIMA would not be the organization that it is today. Lastly, I want to say "Thank You" to all the members. I have enjoyed interacting with those of you who have participated in NHIMA activities, attended the annual conference, sent me emails throughout the year, and/or are active on the Facebook page.

I don't know about you, but I am excited about the future of NHIMA. I look forward to the upcoming year, new board members, innovative ideas, and making more HIM friends.

Have a great rest of your summer and I hope to see you all soon!

Sincerely, 

---
